

Dine & Divine

Dine & Divine: the chance to meet, to eat and to chat about different topics.

Why? To help us grow in faith and deepen our discipleship, to find out more about each other - and to have a good laugh!

April's **Dine & Divine** topic for discussion:

NEW LIFE

What one new thing
would you love to be
able to do?

Do you have a
question? Let Pam
know.

We sing 'I am a new
creation'. What does
that mean to you?

What happens at **Dine & Divine?**

- People sit in groups of 5 or 6;
- On the table are 16 cards, each with a question to start a conversation;
- Someone chooses a question and a conversation starts;
- When it's run its course, someone chooses a different question and a new conversation begins.
- And that's it—really simple, no knowledge needed.
