

Dine & Divine

It was good to welcome both new and old friends to August's Dine & Divine.

Yes, Homes was a good topic to explore.

And we're meeting on Tuesday, 30th September at the Whitehills pub, from 6.30—8.30

In September the topic is Treasure. Sounds like fun!

Dine & Divine: the chance to meet, to eat and to chat about different topics.

Why? To help us grow in faith and deepen our discipleship, to find out more about each other - and to have a good laugh!

September's **Dine & Divine** topic for discussion:

TREASURE

What's your favourite 'buried treasure' story?

Do you have a question? Let Pam know.

'For where your treasure is, there your heart will be also.' Discuss .

What happens at **Dine & Divine?**

- People sit in groups of 5 or 6;
- On the table are 16 cards, each with a question to start a conversation;
- Someone chooses a question and a conversation starts;
- When it's run its course, someone chooses a different question and a new conversation begins.
- And that's it—really simple, no knowledge needed.
