

# Dine & Divine

It's ages since we last met in November. With Christmas and New Year over, I'm looking forward to meeting up.

Yes, I've missed the chat? What's this month's topic?

And we meet on January 27th at the Whitehills pub from 6.30—8.30 p.m.

Communication! Which is what Dine & Divine is all about. It's a very wide topic.

**Dine & Divine:** the chance to meet, to eat and to chat about different topics.

**Why?** To help us grow in faith and deepen our discipleship, to find out more about each other - and to have a good laugh!

January's **Dine & Divine** topic for discussion:

## COMMUNICATION

Fake News:  
discuss

Do you have a  
question? Let Pam  
know.

In today's world,  
how does God  
communicate with  
us?

## What happens at **Dine & Divine?**

- People sit in groups of 5 or 6;
- On the table are 16 cards, each with a question to start a conversation;
- Someone chooses a question and a conversation starts;
- When it's run its course, someone chooses a different question and a new conversation begins.
- And that's it—really simple, no knowledge needed.
