

# Dine & Divine

There were 21 of us at January's Dine & Divine, as we communicated on Communication!

It was fun. We had a lot to say and there was lots of laughter. And we celebrate our second anniversary in February.

We will talk about All Sorts - always popular. No topic, just a mix of questions.

We meet on February 24th at the Whitehills pub, 6.30—8.30 p.m.

**Dine & Divine:** the chance to meet, to eat and to chat about different topics.

**Why?** To help us grow in faith and deepen our discipleship, to find out more about each other - and to have a good laugh!

January's **Dine & Divine** topic for discussion:

## ALL SORTS

If you had to wear a warning label, what would it say?

Do you have a question? Let Pam know.

Which Biblical character would you most like to eat with?

## What happens at **Dine & Divine**?

- People sit in groups of 5 or 6;
- On the table are 16 cards, each with a question to start a conversation;
- Someone chooses a question and a conversation starts;
- When it's run its course, someone chooses a different question and a new conversation begins.
- And that's it—really simple, no knowledge needed.
