

Dine & Divine

Some interesting discussions on Diversity in March—but we have a **VERY** special Dine & Divine coming up in April.

Yes, I've heard we're joining with ParkGrove's Dine & Divine group just for once.

We're still meeting at the Whitehills: Tuesday, April 28th, 6.30 — 8.30.

The topic is 'Gifts' - very suitable for the Easter season.

Dine & Divine: the chance to meet, to eat and to chat about different topics.

Why? To help us grow in faith and deepen our discipleship, to find out more about each other - and to have a good laugh!

April's **Dine & Divine** topic for discussion:

What is the best / worst gift you remember receiving?

Do you have a question? Let Pam know.

Share a time when your gratitude to God was overwhelming.

What happens at **Dine & Divine**?

- People sit in groups of 5 or 6;
- On the table are 16 cards, each with a question to start a conversation;
- Someone chooses a question and a conversation starts;
- When it's run its course, someone chooses a different question and a new conversation begins.
- And that's it—really simple, no knowledge needed.
